**Victernus (Edge of Awareness)** By Luke D. Gonzalez

Victernus is a sci-fi novel about a scientist who tries to escape humanity in an effort to find something that was lost to him when he was very young. His efforts are met with extreme resistance, and he and his companions are forced to fight against a corrupt society and government to make any sort of progress. But, when the hate between both sides grows too strong, is there anyone who can stop a full-scale war against the people of Earth?

The book is accompanied by a full orchestral soundtrack, which may be found along with an excerpt of the book on Baumarius' official website.
