### **Editorial Review**

#### **Review**

"Wolters...reproduces his 1982 work intact, and then adds an extended postscript, in which he reinterprets his prior analysis.." --New Zealand Journal of Asian Studies

"The revised version of the book, more than double the size of the original, builds on...important themes by integrating --Asian Perspectives

"[W]ill no doubt provide a new source of inspiration for many readers, including graduate students and instructors... --Journal of Asian Studies

#### **About the Author**

The late O. W. Wolters is regarded by many as the most influential historian of early Southeast Asia writing in the English-speaking world. He served in the Malayan Civil Service from 1938 to 1957 after completing his first degree at Oxford University. When the Japanese occupied Malaysia in 1942, he was imprisoned for three years. He embarked on his academic career as a Southeast Asian scholar in 1957, when he was nearly fifty years old, and began teaching at Cornell University in 1964, where he developed the influential concept of "mandala," a paradigm of the premodern Southeast Asian kingdom.
