### **Lilith: Healing the Wild** By Tom Jacobs

After 6,000 years of imbalance between masculine and feminine we are emerging into the light of conscious awareness about who we really are. In this important book Evolutionary Astrologer, Medium, and Channel Tom Jacobs leads you through an exploration of the genesis and roots of the patriarchy and how Lilith's issues reflect the imbalance through which we have for so long lived. Jacobs takes apart the myth that we have been taught and cuts through the fog of negativity surrounding Lilith that has brought us to fear knowing her. He lays out an archetypal process for healing Lilith within us that honors her as a natural part of us - not as a demon to be feared. He then explains the difference between several Liliths used in astrology, making a case for the use of the osculating apogee or true Black Moon Lilith. Natal houses, signs, and aspects of Lilith are explained, followed by transits and progressions to Lilith and the true Black Moon itself in transit. The text concludes with an exploration of Lilith in relationship. This book offers a unique and empowering look at a goddess we are taught to fear but need to learn to honor and respect within us. Tom Jacobs here provides tools to end the patriarchal war on the feminine through insight, acceptance, and compassion.
