## Tips and techniques to help your nonprofit thrive

More so now than in years past, a significant number of nonprofit organizations have experienced a major decrease in funding and contributions. *Nonprofit Kit for Dummies, 4th Edition* caters to these organizations and shows you how your nonprofit can thrive and survive even in the most unpredictable and uncertain economic climate.

This new edition of *Nonprofit Kit For Dummies* offers tips and information on everything you need to navigate the process of setting up and effectively running a nonprofit organization, including: hybrid corporations; employee performance reviews; IRS regulations; social media; nonprofit marketing and fundraising; building cash reserves and risk capital; online research and fundraising; and much more.

- Covers raising money, applying for grants, and developing the perfect mission statement
- Details on how state laws vary, how to conduct program evaluations; and how to conform to accounting standards
- CD includes forms, worksheets, templates, and more—plus stronger, more specific examples of organization plans and resources to guide organizational financial systems and procedures

Whether you're thinking about starting your own nonprofit or are already working in the sector, *Nonprofit Kit For Dummies* is a valuable source for getting the latest information and practical advice on running a prosperous nonprofit organization.

**Note:** CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.
