### One Man Advantage: A Hockey Romance (Heller Brothers Hockey Book 3)

By Kelly Jamieson

There's a big difference between giving up and letting go...

After her ex trashes her reputation in front of the media and it quickly goes viral, Nicole Lambert vows she'll never get involved with another hockey player. Too bad her job with the Minneapolis Caribou puts her in contact with sexy hockey players on a daily basis, including the newly traded center, Logan Heller.

Logan Heller was pretty happy with his life in California and this trade to the Minneapolis Caribou has turned his life upside down and shaken his confidence. He's always has this a deep down fear he'll never live up to his older brothers—their star hockey careers and now with girlfriends and family on the way.

When Logan meets Nicole, there's immediate attraction between them, although that might have something to do with the fact that he's standing there completely naked. He's pretty sure she's the perfect woman for him and he's determined to have her. Nicole is equally determined to never date another hockey player. But Logan has a one man advantage...he knows what she really wants.
