Editorial Review

Review

"I wouldn't change a thing...It is in depth and would give phlebotomists a great base."Kelli M. Hiller, MS, MLS (ASCP), Blood Bank, Phlebotomy and Central Processing Supervisor and Adjunct Professor, Signature Healthcare and Bristol Community College, Brocton and Fall River, MA

About the Author

Kathryn Kalanick has been a post-secondary educator for 30 years. Her last position, prior to starting her own company, was as Director of Education for the Career Academy in Anchorage, Alaska. Ms. Kalanick has been instrumental in developing numerous Allied Health Care curriculums, for both on-ground and on-line programs, for national accreditation. Ms. Kalanick serves as a member of several educational advisory boards nationwide and has served as a member of both the Medical Assistant and Phlebotomy Examination review teams for NCCT and currently serves as the Chair for NCCT's Board of Testing. She currently owns and operates Educational Pathways in Utah, and works as an author, consultant, invited speaker, curriculum developer and instructional designer. She is a Certified Medical Assistant and Nationally Certified Phlebotomy Technician, as well as one of the nation's first Certified Postsecondary Instructors to earn the CPI (NCCT) credential.

Users Review

From reader reviews:

Mary Oropeza:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. With book everyone in this world could share their idea. Guides can also inspire a lot of people. Lots of author can inspire their own reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write with their book. One of them is this Phlebotomy Technician Specialist.

Richard Martinez:

Does one one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Attempt to pick one book that you never know the inside because don't assess book by its include may doesn't work at this point is difficult job because you are frightened that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer may be Phlebotomy Technician Specialist why because the fantastic cover that make you consider in regards to the content will not disappoint you actually. The inside or content is actually fantastic as the outside or perhaps cover. Your reading sixth sense will directly show you to pick up this book.

Kim Salgado:

This Phlebotomy Technician Specialist is new way for you who has fascination to look for some information since it relief your hunger of knowledge. Getting deeper you upon it getting knowledge more you know or you who still having tiny amount of digest in reading this Phlebotomy Technician Specialist can be the light food for yourself because the information inside that book is easy to get by anyone. These books build itself in the form that is reachable by anyone, yes I mean in the e-book application form. People who think that in reserve form make them feel drowsy even dizzy this e-book is the answer. So there is absolutely no in reading a guide especially this one. You can find actually looking for. It should be here for anyone. So , don't miss it! Just read this e-book variety for your better life along with knowledge.

Ivan Dinkel:

What is your hobby? Have you heard which question when you got learners? We believe that that problem was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And you know that little person including reading or as reading become their hobby. You need to understand that reading is very important along with book as to be the factor. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You see good news or update about something by book. Many kinds of books that can you choose to use be your object. One of them is niagra Phlebotomy Technician Specialist.
