Spiritual Healing By Robert E. Detzler

This book presents a dynamic system of working with a spiritual committee to determine what your body needs in the way of healing and then using complementary energy through a series of applicable diagrams and patterns. These vibrational helps were channeled through my spiritual committee from the Godhead level or received through several of my students. I call my spiritual committee my High Self. The explanation and process of working with your High Self to use the healing techniques, diagrams, and patterns are fully explained in this book. Everything in our world that is both visible and invisible is made up of vibrations. Love is a very powerful energy. Hate, fear, discord, and all illnesses are made up of lower energies. The patterns contained herein are vibrational in nature and by using them you can help your body shift from discordant energy called illness to harmonious energy called wholeness or health. The geometric symbol on the cover is very powerful as it consists of the interweaving of the basic building blocks of the universe: the circle, triangle, and square. People who are sensitive to energy vibrations can feel the transforming essence of the symbol by touching it. Even before this book was completed, individuals were using the diagrams and receiving benefits from their vibrations. The book presents specific steps on how to apply 214 vibrational patterns for spiritual healing. Included are two descriptive charts for assistance in transforming your physical-emotional health. Even readers who do not dowsing may easily use the patterns for complementary benefits and assistance in daily living. Spiritual Healing Includes: Powerful vibrational healing patterns Dissolving any discordant energies Applying Love Symbols for positive expression Magnifying your energy with the Creative Power Symbol Utilizing symbols for greater experiences of joy Determining complementary colors and techniques Accessing the energy of an Ancient Healing Circle Introducing basic dowsing principles Learning to work with your own spiritual helpers Other books by Robert E. About the Author

Robert E. Detzler (1926-2013) was a minister, counselor, and international teacher. Following several profound spiritual experiences, he began writing under the direction of his High Self committee. For twenty-five years, he lectured and taught his psycho-spiritual healing techniques called Spiritual Response Therapy (SRT) and Spiritual Restructuring across the United States, Canada, Europe, Asia, New Zealand and South America. His counseling fame and books amazed even him as he began life in a poor Mid-West family. Despite good grammar and writing skills, he drew to him many talented people and students who assisted him along the way. Detzler taught at London's Healing Exhibitions, International and Regional Dowsing Conferences and Body, Mind, and Spirit Expos. Retired from ministry and business management, he founded an international religious educational organization called Spiritual Response Association which is not-for-profit. This network continues his work by teaching, certifying, and encouraging spiritual consultants, teachers, and practitioners throughout the world. They are continuing his signature consulting method of Spiritual Response Therapy (SRT).
