The Art of Inside Out From imusti

From an adventurous balloon ride above the clouds to a monster-filled metropolis, Academy Award®-winning director Pete Docter ("Monsters, Inc.," "Up") has taken audiences to unique and imaginative places. In Disney•Pixar's original movie " Inside Out," he will take us to the most extraordinary location of all—inside the mind.

Growing up can be a bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. Like all of us, Riley is guided by her emotions – Joy, Fear, Anger, Disgust, and Sadness. The emotions live in Headquarters, the control center inside Riley's mind, where they help advise her through everyday life. As Riley and her emotions struggle to adjust to a new life in San Francisco, turmoil ensues in Headquarters. Although Joy, Riley's main and most important emotion, tries to keep things positive, the emotions conflict on how best to navigate a new city, house and school.

In this groundbreaking and illuminating film, Pixar Animation Studios examines the extraordinary depths of the mind and the powers of emotion and imagination. *The Art of Inside Out* provides an exclusive look into the artistic exploration that went into the making of this vibrant film. Featuring concept art—including sketches, collages, color scripts, and much more—and opening with a foreword by actress Amy Poehler and introduction by the film's writer and director Pete Docter, this is the ultimate behind-the-scenes experience of the making of this landmark film.
