The SAGE Handbook of Power By Stewart R Clegg, Mark Haugaard

Power is arguably one of the key concepts within the social sciences. The SAGE Handbook of Power is the first touchstone for any student or researcher wishing to initiate themselves in the state of the art. Internationally acclaimed, Stewart R Clegg and Mark Haugaard have joined forces to select a collection of papers written by scholars with global reputations for excellence. These papers bridge different conceptual and theoretical positions and draw on many disciplines, including politics, sociology and cultural studies. The sweep and richness of the resulting handbook will help readers contextualise and grow their understanding of this dynamic and important subject area.

Editorial Review

Review

'This edited book by Stewart Clegg and Mark Haugaard, with twenty essay contributions from international scholars, is not a conventional easy reader but a handbook that offers many thought-provoking views of power...It traverses an enormous intellectual territory... and addresses many of the complex issues surrounding the visible, less visible and hidden aspects of power...The essays go way beyond superficial normative ideas of power into the strategic clarification of existing debates and new and challenging propositions surrounding power'

Judy Johnston

Faculty of Business, University of Technology Sydney (Bryan S. Turner 2009-03-13)

"Remarkable for its findings and its implications, this book looks at the centrality of power (which can be characterized as 'power over', 'power to,' 'power with') to life and at how people use or surrender to power." (L. Braude 2010-02-16)

"I recommend it most strongly and think that it will be very useful indeed. A great addition to the literature." (John Urry 2009-03-13)

About the Author

Stewart Clegg is a prolific publisher of several hundred articles in leading academic journals in strategy, social science, management and organization theory; is also the author and editor of about fifty books, as well as a Fellow of the British Academy of Social Sciences, a Distinguished Fellow of the Australian and New Zealand Academy of Management, a Fellow of the Academy of the Social Sciences in Australia, and the recipient of significant awards from the American Academy of Management for his contributions to management theory and practice.

Users Review
