Women's Life in Greece and Rome: A Source Book in Translation From
Brand: Johns Hopkins University Press

This highly acclaimed collection provides a unique look into the public and private lives and legal status of Greek and Roman women of all social classes—from wet nurses, prostitutes, and gladiatrixes to poets, musicians, intellectuals, priestesses, and housewives. The third edition adds new texts to sections throughout the book, vividly describing women's sentiments and circumstances through readings on love, bereavement, and friendship, as well as property rights, breast cancer, female circumcision, and women's roles in ancient religions, including Christianity and pagan cults.

Editorial Review

Review

This admirable source book will be widely used.

(Times Educational Supplement)

The modern reader can enter the ancient world through this text.

(London Review of Books)

Invaluable in providing not only 'mainstream' authors but much less accessible items.

(JACT Review)

The choice of materials is excellent... Although the book is designed for classroom use, it provides an excellent introduction to the field as a whole.

(Choice)

Without doubt this book should be favorably received by students and scholars alike. Copious anecdotes, funerary inscriptions, legal and philosophical tracts serve to illuminate fully the position of women in Classical antiquity... *Women's Life in Greece and Rome* accomplishes with erudition, grace, and humor its aim.

(The History Teacher)

In its third incarnation, *Women's Life in Greece and Rome* should remain a staple reference work for undergraduates and scholars alike.

(Bryn Mawr Classical Review)

Throughout the history of this text, as the dust jacket for the first edition attests, 'what remains unchanged is the extraordinary power of these writings and the eloquence with which they speak for and about women in the ancient world.'

(Phyllis B. Katz New England Classical Journal)

This text will continue to be of significant value to students and scholars alike who wish to research women in the ancient world.

(Marian Osbourne Berky *Religious Studies Review*)

This commendable and successful work continues to generate plenty of discussion both in and out of the classroom and has clearly been a force behind the application of new methodologies in the area of women in antiquity.

(Lisa Hughes *Mouseion: Journal of Classical Association of Canada*)

Language Notes

Text: English (translation)

Original Language: Greek, Latin
