**A Beginner's Reader-Grammar for New Testament Greek** By Ernest Cadman Colwell, Ernest W. Tune

A Beginner's Reader-Grammar for New Testament Greek has two parts: a concise grammar and a series of readings. The included readings are based on the actual content of the Greek New Testament but constructed to begin easy and lead the student through basic vocabulary and grammar. The authors have abandoned the method that takes the student through a progression of grammar lessons, each concluding with a few sentences for translation. Rather, after learning the alphabet and the pronunciation of Greek words, the student begins immediately to read text, learning to find needed information in standard reference tools.
