Airplane Stuff: Aviation Addicts Handbook By Mike Ray

"Airplane Stuff" is a totally unique collection of aviation and flight related material that will be a fascinating and often read addition to any airplane lover's library. The full color, lavishly illustrated document is crammed from margin to margin with technical information and supporting graphics that reflect the unusual and entertaining writing style of Captain Mike Ray, long time military/airline pilot. While this collection is specifically written with the non-professional enthusiast and home based flight simulator hobbyist as a backdrop, it has broad appeal for any person who is fascinated with things associated with the flight paradigm and flying in general. Get ready for a visual feast and join with Captain Mike as he shares a whole lotta obscure and interesting airplane stuff.

Editorial Review

About the Author

Captain Mike Ray spent most of his working life strapped to airplane seats ... and was absolutely elated to discover that computer graphics and reality based simulation could "almost" accurately re-create parts of that experience. Now retired from a long and successful airline career, he believes that the training potential for the home based computer has yet to be realized and writes materials to encourage this pursuit in others.

Users Review

From reader reviews:

James Flynn:

Have you spare time for any day? What do you do when you have much more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a stroll, shopping, or went to the Mall. How about open or perhaps read a book eligible Airplane Stuff: Aviation Addicts Handbook? Maybe it is being best activity for you. You know beside you can spend your time along with your favorite's book, you can better than before. Do you agree with it has the opinion or you have various other opinion?

Mamie Wilson:

The reason why? Because this Airplane Stuff: Aviation Addicts Handbook is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of advantages than the other book include such as help improving your talent and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the publication store hurriedly.

Pearl Moore:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by reading a book. Ugh, you think reading a book really can hard because you have to take the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smart phone. Like Airplane Stuff: Aviation Addicts Handbook which is keeping the e-book version. So , why not try out this book? Let's find.

Diane Sanchez:

A lot of people said that they feel weary when they reading a reserve. They are directly felt this when they get a half elements of the book. You can choose often the book Airplane Stuff: Aviation Addicts Handbook to make your reading is interesting. Your own skill of reading skill is developing when you including reading. Try to choose simple book to make you enjoy to read it and mingle the impression about book and reading especially. It is to be initial opinion for you to like to open a book and study it. Beside that the book Airplane Stuff: Aviation Addicts Handbook can to be a newly purchased friend when you're really feel alone and confuse in doing what must you're doing of this time.
