Discovering the Global Past, Volume II By Merry E. Wiesner-Hanks, William Bruce Wheeler, Franklin Doeringer, Kenneth R. Curtis

This successful world history reader in the popular DISCOVERING series contains a six-part pedagogical framework that guides readers through the process of historical inquiry and explanation. Each chapter is organized within the same pedagogical framework: The Problem, Background, The Method, The Evidence, Questions to Consider, and Epilogue. The text emphasizes historical study as interpretation rather than memorization of data. The Fourth Edition integrates new documents and revised coverage throughout, while the comparative chapters contribute to a more thorough and balanced examination of global history.
