Editorial Review

Review

"Read this book! Put down whatever you're reading right now, take a deep breath, and read this book. It won't take long, but it might change your life. Having read dozens of books on leadership, sales, motivation, and business, I have become somewhat picky about the books I read and particularly about the books I recommend. I recommend this one without reservation." --Steven List, Backoftheroom.com

"If you're serious about living your definition of success add Go for No! to your personal library. The ideas shared are terrific and the unique story format that the book is written in makes it a delight to read." --Josh Hinds, Founder, getmotivation

"If you want to take this road less traveled, get a hold of Go for No! Read it, practice it and master it. In time you'll create so much success that people will start asking you how you got so lucky and why everything you do seems to be a success. If they only knew." --Seth Czerepak, Ninjapreneur, Penetration Media
