Hamlet By John Marsden

The Dane as never seen before — in a daring, dazzling, sexy prose retelling of Shakespeare's tragedy by best-selling author John Marsden.

Something is rotten in the state of Denmark, but Hamlet can't be sure what's causing the stench. His rage at his mother's infidelities — together with his greed for the sensual Ophelia and his dead father's call to revenge a "murder most foul" — have his mind in chaos, and he wants to scatter his traitorous uncle's insides across the fields. But was it really his father's ghost that night on the ramparts, or a hell-fiend sent to trick him? "Action is hot," he tells Ophelia, who lives shut up in a tower with her longings and lust. "Action is courage, and reflection is cowardly. Picking up the knife has the colors of truth. As soon as I hesitate. . . ." In this dark, erotically charged, beautifully crafted novel, John Marsden brings one of Shakespeare's most riveting characters to full-blooded life in a narrative of intense psychological complexity.

Editorial Review

From School Library Journal

Starred Review. Grade 9 Up—The story of Hamlet seems tailor-made for YA literature; it includes angst, unrequited love, drama, obsession, family issues, and self-doubt. In turning Shakespeare's play into a novel, Marsden has made it very accessible. The book is brief and the story moves quickly. Hamlet's indecision does not stall the action, but rather drives the narrative—readers wonder what, if anything, he will do. The setting is contemporary, but feels timeless. Marsden stays true to Shakespeare's text, while modernizing the dialogue. He makes the prince a sympathetic teen who is struggling with his hormones, his grief, and the fact that his uncle is now his stepfather. He is lonely, not only because of his royalty, but also because his drive to avenge his father has caused him to commit murder. Hamlet wants to be a man, but he's not sure if he's quite ready. This is a wonderful treatment of the play: engaging, gripping, dark, and lovely.—*Geri Diorio, The Ridgefield Library, CT*

Review

"John Marsden has done what a legion of educators, my parents, a great number of my more literate friends and my read-anything-you-can-get-your-hands-on grandmother failed to do. He has made me, for one glorious moment, love Shakespeare. Marsden's version of HAMLET is smart, tough, lyrical, thoroughly readable and uncompromisingly engaging. Back off, Mrs. Phelps (my high school English teacher). I now get HAMLET." - Chris Crutcher — Quote

About the Author

John Marsden is the author of thirty popular and acclaimed novels, including the classic Tomorrow series and The Ellie Chronicles. He says, "HAMLET's done a good job of haunting my life. I read the play when I was sixteen, saw a film of it when I was seventeen, and haven't been able to shake the story since." John Marsden lives in Australia.

Users Review

From reader reviews:

Megan Fairbanks:

Here thing why this particular Hamlet are different and dependable to be yours. First of all reading a book is good but it really depends in the content of the usb ports which is the content is as delicious as food or not. Hamlet giving you information deeper since different ways, you can find any e-book out there but there is no reserve that similar with Hamlet. It gives you thrill studying journey, its open up your own personal eyes about the thing that will happened in the world which is might be can be happened around you. You can actually bring everywhere like in park, café, or even in your technique home by train. Should you be having difficulties in bringing the imprinted book maybe the form of Hamlet in e-book can be your substitute.

Jesus Thresher:

Do you one among people who can't read enjoyable if the sentence chained inside straightway, hold on guys that aren't like that. This Hamlet book is readable by means of you who hate the perfect word style. You will

find the information here are arrange for enjoyable examining experience without leaving perhaps decrease the knowledge that want to provide to you. The writer of Hamlet content conveys objective easily to understand by many individuals. The printed and e-book are not different in the written content but it just different such as it. So , do you even now thinking Hamlet is not loveable to be your top list reading book?

Joan Stump:

Hamlet can be one of your nice books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort to put every word into enjoyment arrangement in writing Hamlet yet doesn't forget the main point, giving the reader the hottest in addition to based confirm resource details that maybe you can be one among it. This great information can easily drawn you into brand-new stage of crucial considering.

Wayne Queen:

Are you kind of busy person, only have 10 or even 15 minute in your day time to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your small amount of time to read it because all this time you only find reserve that need more time to be go through. Hamlet can be your answer since it can be read by anyone who have those short free time problems.
