### Readings In Cyberethics From Brand: Jones and Bartlett Publishers

This book of readings is a flexible resource for undergraduate and graduate courses in the evolving fields of computer and Internet ethics. Each selection has been carefully chosen for its timeliness and analytical depth and is written by a well-known expert in the field. The readings are organized to take students from a discussion on ethical frameworks and regulatory issues to a substantial treatment of the four fundamental, interrelated issues of cyberethics: speech, property, privacy, and security. A chapter on professionalism rounds out the selection. This book makes an excellent companion to *CyberEthics: Morality and Law in Cyberspace*, Third Edition by providing articles that present both sides of key issues in cyberethics.
