### **The Mad Tatter** By J.M. Darhower

Reece Hatfield has just one rule when it comes to falling in love: don't fucking do it. There's no room in his life for another person. He can barely keep a handle on things as it is. A shadow of the man he used to be, Reece spends his days tattooing, the artist inside of him longing for the chance to do something different.

Avery Moore is all dance, all the time. Ballet is all she's ever known, and she's damn good at it. Her body is her art, a living canvas that captivates Reece the first time he lays his eyes on her.

He yearns to leave his mark on her body... in more ways than one.

The tattooed degenerate with a shady past. The beautiful ballerina with a bright future. They live in different worlds, yet somehow, they fit. But just because they fit doesn't mean they belong together. Cracks sometimes form. Two pieces don't always make a whole. The course of love never did run smoothly. Things get messy.

And Reece doesn't do messy.

Not anymore.
