### White Men Can't Hump (As Good As Black Men): Volume II: Sex & Race in America By Todd Wooten

White Men Can't Hump is a book of hope. The hope is that one day Black Men in America will no longer be viewed as unintelligent, unattractive, undesirable, uncivilized, and just plain old worthless. White Men Can't Hump will address why Black Men in America are perceived in such a negative way, and will also explore the origins of this negativity. White Men Can't Hump will also explore how this negativity has been spread for the last four centuries (a la stereotypes), and why this negativity has been spread (a la "Fear of the Black Penis"). Several of these so-called negative Stereotypes will be closely examined and shown in a new light. White Men Can't Hump will ask why two well known Stereotypes that have been historically assigned to Black Men, are only considered negative when applied to Black Men. Most men desire a large Penis and an elevated sexual prowess, but all across America (in offices, bars and locker rooms) the Black Penis and Black Prowess are routinely the Punch Line to jokes. White Men Can't Hump will ask why, and will also ask a question that will create a debate for the ages: "Who's better in bed, Black Men or White Men?" White Men Can't Hump will take you the reader on an educational and enlightening journey through America's past and present with the hope of changing America's future. So sit back and enjoy or cuss, agree or disagree, and most importantly think with an open mind. Because whether you like it or not, White Men Can't Hump tells the story of who all of us are, where we've come from, and where we're going. White Men Can't Hump is divided into two VOLUMES. VOLUME I focuses on how Sex has historically affected Race relations in America, and VOLUME II focuses on how Race has affected Sex relations in America. Don't be confused by the similar titles because both VOLUMES pack a different Sexual, Racial, Political, and Social punch. For more information feel free to visit: [www.whitemencanthump.com](http://www.whitemencanthump.com) Enjoy the ride my friend.

### **Editorial Review**

#### **About the Author**

For you the reader to fully understand where White Men Can't Hump will take you; you must first understand where the author has been. Todd Wooten is nothing more than a Black Man who grew up in a small country town in Central Ohio. After graduating from high school, Todd Wooten embarked on the following journey: enlisted in the U.S. Marines, worked as a prison guard, worked as a bouncer, worked as a mall cop, worked as a paramedic, and worked as a firefighter. This journey has allowed him to meet people from all 50 states, of numerous different Races, and from all walks of life. His travels in the U.S. and abroad have served as his only true education. His life, past and present, have been shaped by this journey, and his personal experiences helped to shape White Men Can't Hump. America's views on Race and Sex, past and present, are the foundation for White Men Can't Hump. White Men Can't Hump is merely a reflection of where the author and America have crossed paths. By living a life among America's regular people, he has been able to tap into America's attitudes on Race and Sex. Therefore, White Men Can't Hump is merely a reflection of all of us, whether we like it or not, and whether we admit it or not. White Men Can't Hump is the story of Race and Sex in America, and Todd Wooten is merely a grass-roots level storyteller; so read with caution, and please enjoy.

### **Users Review**

#### **From reader reviews:**

##### **Myrtle Galloway:**

What do you consider book? It is just for students since they're still students or it for all people in the world, exactly what the best subject for that? Just you can be answered for that question above. Every person has different personality and hobby for every other. Don't to be forced someone or something that they don't desire do that.
