### **A Fighting Man (Men of Manhattan Book 3) By Sandrine Gasq-Dion**

Army Ranger Slater Cassidy has a very special – very sexy – target in his sights. Meeting gorgeous, smart, uber-snarky Casper Kennedy was the highlight of Slater's last trip home to New York. The soldier in him carefully plans his conquest. Unfortunately, Casper's wearing some seriously strong armor and Slater's charm offensives bounce right off. Casper's refusal to fall for him is puzzling – not to mention incredibly annoying. When Slater gets leave again after grueling back-to-back tours in Afghanistan, all he wants is another shot at wooing Casper. He jumps right into the battle for the other man's heart, but Casper does not intend to entertain the troops. A heartbreakingly revealing revelation changes the rules of romantic warfare, and Slater suddenly realizes he doesn't just want Casper. He wants to capture his heart, too.

Casper Kennedy is fighting a losing battle. A certain outrageously demonstrative Army Ranger has been a thorn in his side since his last trip home – and the main character in his steamiest dreams. Now he's back. He launches an all-out sensual assault and no matter how hard Casper pushes Slater away, the man somehow manages to inch closer. So close, in fact, that Casper's once-impenetrable defenses are in danger of collapsing. Should he throw up the white flag and take a chance at love? Or start firing back and keep his heart protected? When the handsome Ranger shows his true colors, Casper just might have to surrender the fight.
