**Basic Counseling Techniques: A Beginning Therapist's Toolkit** By C. Wayne Perry

'Yes, but what do I do with that client?' That is a question Dr. Wayne Perry often hears as he works with beginning counselors or therapists. It is the question *Basic Counseling Techniques* seeks to answer. Born out of Dr. Perry's more than twenty-years' experience training marriage and family therapists and pastoral counselors, this book skips the theory and goes right for the practical application. Students in counseling or therapy training programs will find *Basic Counseling Techniques* an essential part of their studies. This textbook gives the basic steps to actually applying nine different sets of clinical tools, and guidelines for selecting the appropriate tool for the appropriate clinical situation. That makes this textbook unique in the field. Another unique feature is this textbook's practical suggestions for setting up the therapy room, using audio-visual recording equipment, and making covert interactions overt. Each of the fifteen chapters concludes with a 'Living Into the Lesson' section to give the reader experiential exercises to apply that chapter's skills. Training program directors will find this book invaluable for students who will soon begin their practicum. Beginning therapists, both interns and recent graduates, will find it irreplaceable in building their own professional 'toolkit.'

### **Editorial Review**

#### **About the Author**

C. Wayne Perry, D.Min., is the Program Director of Southern Christian University's marriage and family therapy program. He is a Clinical Member and an Approved Supervisor for the American Association of Marriage and Family Therapists (AAMFT), and a Fellow in the American Association of Pastoral Counselors (AAPC). Since 1980 Dr. Perry has actively trained both marriage and family therapists and pastoral counselors. He also trains others in PREPARE/ENRICH, the TJTA, and the MBTI. In addition to a busy teaching and clinical practice, Dr. and Mrs. Perry frequently lead workshops for church and community groups. All of this hands-on experience formed the basis for his articles in professional journals and popular magazines, and for a weekly column in a local newspaper.

### **Users Review**

#### **From reader reviews:**

##### **Angie Dean:**

Precisely why? Because this Basic Counseling Techniques: A Beginning Therapist's Toolkit is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book alongside it was fantastic author who have write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the publication store hurriedly.

##### **Verla Foster:**

This Basic Counseling Techniques: A Beginning Therapist's Toolkit is great publication for you because the content that is full of information for you who always deal with world and have to make decision every minute. This specific book reveal it information accurately using great plan word or we can say no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with lovely delivering sentences. Having Basic Counseling Techniques: A Beginning Therapist's Toolkit in your hand like keeping the world in your arm, facts in it is not ridiculous just one. We can say that no publication that offer you world in ten or fifteen second right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. busy do you still doubt in which?

##### **Joyce Morgan:**

In this era globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information easier

to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher in which print many kinds of book.
