### Editorial Review

#### Review

"....fantastic job portraying contemporary, young-American, happy-hour, social culture at it's funny, ugly, anecdotal, bare-naked, real-est..." -- *from Tucker Max fan emails*

"...I owe you my eye-opening experience to the sinister, possibly reckless aspect of humanity that I find strangely appealing..." -- *from Tucker Max fan emails*

"After reading several stories, I have decided you are my new god. I have never laughed so hard or long...." - - *from Tucker Max fan emails*

#### About the Author

Tucker Max received his BA from University of Chicago, where he graduated in 1998 with lots of the various honors that they bestow on smart people. He received an academic scholarship to Duke Law School, where he graduated amid much controversy with a JD in May of 2001. Max accomplished this despite the fact that he neglected to purchase any of his textbooks for the final two years, spent one semester living in Cancun, and was single-handedly responsible for dropping Duke in the U.S. News and World Report law school rankings from 7 down to 11.

As of this writing, Tucker has neither wife nor girlfriend. This is because Tucker does not want one. Tucker is barely responsible enough to take care of himself; at this point a mature, long-term relationship would be too much to ask.
