## FRCS Trauma and Orthopaedics Viva (Oxford Higher Specialty Training)

By Nev Davies, Will Jackson, Andrew Price, Jonathan Rees, Chris Lavy

FRCS Trauma and Orthopaedics Viva offers a unique approach to this high stakes exam, from the team behind the highly successful Oxford revision course. Based on the principle that viva candidates improve their technique by observing and learning from others, the author team have created a best-practice formula for dealing with the individual scenarios.

The book is set out in a simple format, with viva topics introduced by an initial clinical photograph, radiograph or diagram. Sets of questions follow underneath with the suggested answers on the next page. This allows the reader to work in pairs, groups or on their own. Based on the Oxford Revision Course, this book is already a tried and tested revision tool, ideal for this high-pressure examination.
