### Historical Dictionary of the Tamils (Historical Dictionaries of Peoples and Cultures) By Vijaya Ramaswamy

The cultural heritage of the Tamils dates back two thousand years. As a language, Tamil has existed since the pre-Christian era, around the same time as the early classical languages Hebrew and Sankrit. The first book on Tamil grammar, the *Tolkappiyam*, was written around the fifth century BCE. Today, Tamil cuisine has captured the imagination of the vegetarian world, and Tamil cinema, with its heavy political allegories and opera style music, is popular across the globe. Not confined to their homeland of Tamil Nadu, the Tamils constitute a powerful diaspora in Sri Lanka (where they are fighting for their political rights), Singapore (where Tamil is one of the national languages), and Malaysia. The diaspora extends to places as far flung as the U.K., the U.S., and Australia. Tamil temples and cultural centers can be found everywhere from Pittsburgh to San Francisco and from Texas to Toronto.

The *Historical Dictionary of the Tamils* presents a vivid picture of the Tamils' cultural and literary traditions, both the historic past and the vibrant present. This is done through a list of acronyms and abbreviations, a chronology, an introductory essay, a bibliography, black and white photos, maps, and over 500 cross-referenced dictionary entries covering Tamil history from the megalithic age to present day and Tamil personalities, economics, literature, music, politics, and cinema. This one-volume reference is an excellent entry point into a deeper understanding of the cultural milieu of the Tamils.

### Editorial Review

#### Review

The volume will make an excellent addition to academic libraries, both colleges and larger high schools, as well as to general library systems. (*American Reference Books Annual*)

[A] straightforward, meticulously researched text. Recommended for cultural studies and South Asian-oriented collections. (*Library Journal*)

If one wanted to get some initial information on contemporary figures in Tamil political, cultural and economic life, then this would be the volume to refer to? in fact, the lively entries informed by an insider knowledge of contemporary figures in Chennai metropolitan life are one of the unusual aspects of this dictionary and certainly among its strengths. So, in effect, imagining a potential reader who wishes to gain some knowledge of contemporary Tamil metropolitan politics and personages as a preliminary to beginning research on the subject? for such a person this dictionary would be a useful tool. (Srilata Raman, University of Toronto, 2008 *Journal of the American Oriental Society*)

The approximately 500 cross-referenced entries of this dictionary provide a portrait of the history and culture of the Tamil-speaking people of Tamil Nadu (in India) and in diaspora in Sri Lanka, Singapore, and Malaysia. Covering the megalithic age to the present day, Ramaswamy (history, Jawaharlal Nehru U., India) offers information on Tamil history, significant people, economics, the arts, and politics. She also provides an introductory essay on Tamil history and culture, a chronology, and thematic bibliographies. (*Reference and Research Book News*)

The Tamils are known for their rich culture, brilliant intellects, powerful language, and vigorous economic and social advance. This book makes millennia of Tamil history, and its colourful contemporary politics, come alive. (Professor Surjit Mansingh, formerly School of International Studies, Jawaharlal Nehru University)

This book is an invaluable resource for the history and culture of the Tamils, whose extraordinarily rich traditions of more than 2000 years form a basic part of both ancient and modern India. (Professor George Hart, Chair in Tamil Studies, University of California, Berkeley)

#### About the Author

**Vijaya Ramaswamy** is a professor at the Centre for Historical Studies in the School of Social Sciences at Jawaharlal Nehru University, New Delhi.

### Users Review

#### From reader reviews:

#### Charline Fendley:

Information is provisions for anyone to get better life, information nowadays can get by anyone from everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is inside former life are challenging to be find than now's taking seriously

which one is appropriate to believe or which one typically the resource are convinced. If you obtain the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take Historical Dictionary of the Tamils (Historical Dictionaries of Peoples and Cultures) as the daily resource information.

**Floy Knowles:**

Why? Because this Historical Dictionary of the Tamils (Historical Dictionaries of Peoples and Cultures) is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such awesome way makes the content inside of easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book have such as help improving your ability and your critical thinking approach. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

**Michael Crew:**

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you may have done when you have spare time, and then why you don't try factor that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Historical Dictionary of the Tamils (Historical Dictionaries of Peoples and Cultures), you can enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its identified as reading friends.

**Patricia Howland:**

Are you kind of stressful person, only have 10 or even 15 minute in your day to upgrading your mind talent or thinking skill also analytical thinking? Then you have problem with the book as compared to can satisfy your short time to read it because all this time you only find book that need more time to be examine. Historical Dictionary of the Tamils (Historical Dictionaries of Peoples and Cultures) can be your answer as it can be read by you who have those short spare time problems.
