## Insider Histories of Cartooning: Rediscovering Forgotten Famous Comics and Their Creators By Robert C. Harvey

Many fans and insiders alike have never heard of Bill Hume, Bailin' Wire Bill, Abe Martin, AWOL Wally, the *Texas History Movies*, or the Weatherbird at the *St. Louis Post-Dispatch*. And many insiders do not know why we call comic books "comics" even though lots of them are not at all funny.

Robert C. Harvey, cartoonist and a veteran comics critic, author of several histories of comics and biographies of cartoonists, tells forgotten stories of a dozen now obscure but once famous cartoonists and their creations. He also includes accounts of the cartooning careers of a groundbreaking African American and a woman who broke into an industry once dominated by white men.

Many of the better known stories in some of the book's fourteen chapters are wrapped around fugitive scraps of information that are almost unknown. Which of Bill Mauldin's famous duo is Willie? Which is Joe? What was the big secret about E. Simms Campbell? Who was Funnyman? And why? And some of the pictures are rare, too. Hugh Hefner's cartoons, Kin Hubbard's illustrations for *Short Furrows*, Betty Swords' pictures for the Male Chauvinist Pig Calendar of 1974, the Far East pin-up cartoon character Babysan, illustrations for *Popo and Fifina*, and Red Ryder's last bow.

### Editorial Review

#### Review

“Bob Harvey is a triple threat in comics scholarship: an assiduous historian, a discerning critic, and a talented cartoonist. In this book he has hit a home run clear out of the park. Exploring little-known artists, characters, and obscure corners of cartooning history, these essays will challenge and correct many long-held assumptions about a beloved and now respected art form.”

?M. Thomas Inge, author or editor of numerous books on the comics, including *Will Eisner: Conversations*, *My Life with Charlie Brown*, and *Comics as Culture*

“*Insider Histories of Cartooning* is a great resource from the original insider, R. C. Harvey. Bolster your understanding of comics history with the guy that knows it inside and out.”

?Scott McCloud, author of *Understanding Comics*

“This book is an indispensable companion to Harvey’s previous landmark histories, *The Art of the Funnies* and *The Art of the Comic Book*. Among its varied offerings are an updated timeline incorporating important comics research discoveries from the last twenty years, a thorough redefinition of comics terminology, and a selection of fascinating essays on some of the art form’s pioneers, masters, and lesser-known talents. An eminent comics scholar and a gifted raconteur, Harvey’s writing is both informative and entertaining.”

?Brian Walker, cartoonist, historian, and curator

#### About the Author

Robert C. Harvey, Commerce City, Colorado, comics historian and critic, is a cartoonist who has written for *The Comics Journal*, *Comics Buyers' Guide*, and *Cartoonist PROfiles*. Among his books are *The Art of the Funnies: An Aesthetic History*, *The Art of the Comic Book: An Aesthetic History*, *Accidental Ambassador Gordo: The Comic Strip Art of Gus Arriola*, and *Milton Caniff: Conversations*, all published by University Press of Mississippi.
