### Invitation Only (Private, Book 2) By Kate Brian

Reed Brennan's future is looking as bright as the two-karat diamonds in her new housemates' ears. Being accepted to the most prestigious private boarding school in the country wasn't enough for Reed. She had to break every rule to do it, but she has accomplished the impossible:

Reed is a Billings Girl now.

And with her new status come respect, envy, and, most important, opportunity. Not to mention the parties. Unfortunately, at the next illicit party in the Easton campus woods, her roommate snaps some pictures of Reed in more than one compromising position. She uses the photos to blackmail Reed: Dig up dirt on the most powerful and popular Billings Girls or she will have Reed expelled.

And speaking of parties, the Legacy is coming up. It's the invitation-only Halloween party in NYC and it's rumored that Thomas -- Reed's MIA boyfriend -- will be making an appearance there. Too bad Reed isn't even close to invited.

Life as a Billings Girl is every bit as glamorous as Reed imagined. What she didn't bargain for is the tangled web of private lies these girls weave.

### Editorial Review

From School Library Journal

Grade 9 Up—Reed Brennan is a blue-collar girl looking to upgrade to a new life, starting with her scholarship to Easton, an exclusive boarding school. She is invited to join the "Billings Girls," a clique with money, connections, and power—if she can pass her initiation. She is being blackmailed by a classmate for dirt on the Girls, even while her hazing involves waiting on them hand and foot. Meanwhile, the police are investigating the disappearance of her former boyfriend, Thomas. Finally there is The Legacy, a party that she feels she must attend because he might be there. Competition for an invitation is fierce, because the only way in is as the date of someone whose family has had children at the school for generations. Brian carefully treads the line between suspense and soap opera with characters and situations that are interesting yet familiar. Buy this book for fans of Cecily von Ziegesar's "It Girl" or Zoey Dean's "A-List" series (both Little, Brown), or other soapy reads.—Saleena L.
