Jeffrey Wolf Green Evolutionary Astrology: Structure of the Soul By Jeffrey Wolf Green

The crowning jewel of Jeffrey Wolf Green's body of work is found in his system of chart analysis. His teachings on Pluto and its relationships to the North and South Nodes of Moon, which are commonly referred to as the karmic axis, have completely eclipsed all previous information sources on the subject. This is the very foundation of Evolutionary Astrology which he pioneered. This latest compilation of teachings and discussions from the Jeffrey Wolf Green archives library is a treat for both those who have studied the founder's work, and for students newly embarking on investigation into Evolutionary Astrology. Chock full of great examples to help you expand your interpretation skills, Structure of the Soul provides a review of the Pluto paradigm, the core principles of Evolutionary Astrology, the Nodal Axis of Pluto, and an entire section of the book is dedicated to the Planetary Nodes which provide essential background context that can be easily missed without their inclusion in understanding the evolutionary journey of the Soul. Whether this book is a review or you are coming at it fresh – it is a must read! . . . Rose Marcus Evolutionary Astrologer Author, "Insights into Evolutionary Astrology"

Editorial Review

About the Author

Jeffrey Wolf Green has been called the founder of Evolutionary Astrology because he first started to lecture on the revolutionary astrological paradigm in 1977 after receiving a dream from the spiritual master Swami Sri Yukteswar, Paramahansa Yogananda's guru. In that dream the entire paradigm of Evolutionary Astrology was conveyed to Jeffrey. This was the first time in astrology's long history that a specific paradigm was realized that allowed for an understanding of the evolutionary progression of a Soul from life to life. Jeffrey lectured all over the world on Evolutionary Astrology from 1977 to 2001. He established Evolutionary Astrology schools in a number of countries and wrote three books on Evolutionary Astrology. The first of these, *Pluto: The Evolutionary Journey of the Soul*, volume one was published in 1984. It has been in continuous print ever since and has become one of the all time best selling astrology books. Translations have been made into French, German, Dutch, Chinese, Bulgarian, Spanish, Portuguese, and other languages. The second volume, *Pluto: The Soul's Evolution through Relationships* was published in 1998 and has been in continuous print. A third volume, *Essays in Evolutionary Astrology: The Evolutionary Journey of the Soul*, was published in 2010. Essays was compiled by his daughter Deva Green from transcriptions of workshops Jeffrey gave over the years. It covers topics that are part of Jeffrey's Evolutionary Astrology paradigm that were either not covered in depth or in some cases at all in his original two volumes. Since starting his original Pluto School in 1994, Jeffrey had many EA students, a number of whom are now professional EA astrologers. He personally counseled over 30,000 clients in his lengthy career. This exposure to so many Souls from so many different backgrounds and orientations allowed him to come to the deepest possible understandings of the nature of the Soul. He communicated these insights through all of his teachings. In 2008 his daughter Deva Green, took over her father's work. She established the Jeffrey Wolf Green School of Evolutionary Astrology website, and created the EA School's Evolutionary Astrology Council who assist Deva with the School's mission of disseminating Jeffrey's original work around the planet.

Users Review

From reader reviews:

Robert Prather:

Have you spare time for a day? What do you do when you have much more or little spare time? Sure, you can choose the suitable activity for spend your time.
