Dr. Edmiston, now retired, is a specialist in eighteenth-century French literature. He has published books on Diderot, the French novel, and Sade. For 32 years, he taught an advanced undergraduate/graduate course on contemporary France.

Dr. Dumenil is a retired professor of French linguistics (phonetics and phonology). She has published articles on French phonology, authored a French phonetics textbook, and coauthored two other textbooks.

Users Review

From reader reviews:

Roderick Donnell:

As people who live in often the modest era should be up-date about what going on or information even knowledge to make all of them keep up with the era that is always change and move forward. Some of you maybe will update themselves by examining books. It is a good choice for yourself but the problems coming to you is you don't know what kind you should start with. This La France contemporaine (World Languages) is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Patsy Cassella:

People live in this new day time of lifestyle always attempt to and must have the spare time or they will get lots of stress from both everyday life and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not just a robot. Then we request again, what kind of activity are there when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative within spending your spare time, the actual book you have read is usually La France contemporaine (World Languages).

Adrian Johnson:

Are you kind of occupied person, only have 10 or even 15 minute in your moment to upgrading your mind talent or thinking skill even analytical thinking? Then you are having problem with the book as compared to can satisfy your short time to read it because all of this time you only find reserve that need more time to be examine. La France contemporaine (World Languages) can be your answer since it can be read by an individual who have those short extra time problems.

Eun Russell:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this La France contemporaine (World Languages) can make you experience more interested to read.
