

Nikola Tesla: Imagination and the Man That Invented the 20th Century

By Sean Patrick

Nikola Tesla: Imagination and the Man That Invented the 20th Century By Sean Patrick

If you want to learn about one of history's most fascinating minds and uncover some of his secrets of imagination—secrets that enabled him to invent machines light years ahead of his time and literally bring light to the world—then you want to read this book.

Imagination amplifies and colors every other element of genius, and unlocks our potential for understanding and ability.

It's no coincidence that geniuses not only dare to dream of the impossible for their work, but do the same for their lives. They're audacious enough to think that they're not just ordinary players.

Few stories better illustrate this better than the life of the father of the modern world, a man of legendary imaginative power and wonder: Nikola Tesla.

In this book, you'll be taken on a whirlwind journey through Tesla's life and work, and not only learn about the successes and mistakes of one of history's greatest inventors, but also how to look at the world in a different, more imaginative way.

Read this book now and learn lessons from Nikola Tesla on why imagination is so vital to awakening your inner genius, and insights into the real "secret" to creativity, as explained by people like Jobs, Picasso, Dali, and Twain.

Editorial Review

Review

"This was a very entertaining and informative read. Full of facts that I wasn't aware of and inspiring deeds. A great book for anyone interested in science and discovery."

--Greg (Amazon Verified Purchase)

"Very informing and thought provoking. The author did an excellent job inspiring the inventor that lives within us all."

--Joe S. (Amazon Verified Purchase)

"This book was a well written brief biography of Tesla as well as a reminder that things aren't always what the history books in schools teach you. A quick read full of interesting details of the battles between JP Morgan, Edison, Westinghouse & Tesla."

--Heather D. (Amazon Verified Purchase)

"I was inspired and encouraged by the story of TESLA. This was a easy read that you do not put down til the last word."

--Weather Watcher (Amazon Verified Purchase)

From the Author

Hi,

I'm Sean, and I believe that people have far more potential than they give themselves credit for. I believe that everyone can find their calling, achieve success and happiness, and feel in control of their fate.

Through my writing, I hope to educate and inspire, to convince people to look at themselves and the world a little differently, and to be able to use these insights to improve not only their lives, but the lives of everyone they touch as well.

If that floats your boat, I think you'll like my work, and I hope you find it helpful.

Sean

About the Author

Sean Patrick is a dad, husband, Floridian, author, entrepreneur, slightly off-kilter, hopelessly optimistic, 28-year-old that's obsessed with creation, marketing, storytelling, fitness, and educating. Founder of Oculus Publishers, Patrick is on a mission to enlighten, entertain, and inspire people through beautiful stories and ideas. When not writing or building something, you can usually find him lifting heavy things in the gym, trying to make a dent in his never-ending "to-read" list, acting like a fool to make his son laugh...and writing

in the third person. Wink, wink.
