Primal (London Mob Book 2) By Michelle St. James

He wouldn't rest until she was his - this time for good.

Farrell Black could hardly blame Jenna for leaving after the shootout that almost cost their daughter her life. Now he'll stop at nothing to protect them, and he's spent the last three months fortifying his private estates, amassing enough armor to supply a small army, and preparing for the moment when she'll come back to him.

And she WILL come back to him.

Listening to her heart was a luxury she couldn't afford.

Jenna Carver is settled back in London with her daughter. She's still haunted by the close call at Farrell's private estate — and by the unanswered questions surrounding the research her father hid before his death. But for now she's focused on Lily and on maintaining the carefully constructed wall she's erected between her and Farrell — the one and only thing that keeps her from falling under his spell all over again. But then Jenna and Lily are nearly killed, and it quickly becomes clear they have enemies in very high places.

Enemies who will stop at nothing to eliminate them.

After secreting Lily and Jenna away in one of his many luxury hideaways, Farrell turns his attention to the people responsible for the development of a bioweapon that could start a world war. Now he and Jenna are in a race against time from Tuscany to Amsterdam, desperate to unlock a puzzle that could mean the end of everything — **including their final chance at love.**

"Romantic and intriguing. A gripping read!" - NYT and USA Today Bestselling Author Lauren Blakely

"Dark, seductive, compelling, and hot as HELL." - USA Today Bestselling Author Lili Valente

Hot sensuality and gripping suspense. Brace yourself for a perfect romantic journey!" - NYT and USA Today Bestselling Author Angel Payne
