Windows 8.1 Bible By Jim Boyce, Jeffrey R. Shapiro, Rob Tidrow

Windows 8.1 coverage that goes above and beyond all competitors?

Serving as an evolutionary update to Windows 8, Windows 8.1 provides critical changes to parts of Windows 8, such as greater customization of the interface and boot operations, return of a 'start button' that reveals apps, greater integration between the two interfaces, and updates to apps. Weighing in at nearly 1000 pages, Windows 8.1 Bible provides deeper Windows insight than any other book on the market. It's valuable for both professionals needing a guide to the nooks and crannies of Windows and regular users wanting a wide breadth of information.

- Shows you how to get started and discusses security and updates, personalizing Windows 8.1, and going beyond the basic desktop
- Highlights ways to manage your content and install and remove programs
- Discusses printing, faxing, and scanning; enjoying and sharing pictures, movies, and music; and performance tuning

Windows 8.1 Bible leaves no stone unturned when examining this important Windows update.
