Lisa was perfectly happy.

Her marriage to Paul was everything it should have been, but she was starting to feel that there was something she had missed out on in life. A burning desire within her she could not quite put her finger on.

When her life long school friend turns up out of the blue, asking her to join her for a long awaited girly holiday, she decided to throw caution to the wind.

Mexico proved to be more of a live changer than a vacation!

Once she'd had a taste of the unknown, would she be able to go back?
