**Modern Japan: A Historical Survey** By Mikiso Hane, Louis G. Perez

Integrating political events with cultural, economic, and intellectual movements, **Modern Japan** provides a balanced and authoritative survey of modern Japanese history. A summary of Japan's early history, emphasizing institutions and systems that influenced Japanese society, provides a well-rounded introduction to this essential volume, which focuses on the Tokugawa period to the present.

The fifth edition of *Modern Japan* is updated throughout to include the latest information on Japan's international relations, including secret diplomatic correspondence recently disclosed on WikiLeaks. This edition brings Japanese history up to date in the post 9/11 era, detailing current issues such as: the impact of the Gulf Wars on Japanese international relations, the March 2011 earthquake, tsunami, and subsequent nuclear accident, the recent tumultuous change of political leadership, and Japan's current economic and global status. An updated chronological chart, list of prime ministers, and bibliography are also included.

### Editorial Review

#### Review

“*Modern Japan* is a core addition to cultural and modern history collections, not to be overlooked.”

—**Bookwatch**

#### From the previous edition:

“Since its first edition, Hane's text has served as an excellent guide to modern Japanese history, thanks largely to the clarity of his writing, unbiased voice, and efforts to humanize the story, most notably by including the experiences of peasants, women, and other minorities too often overlooked. Perez, to his credit, has made the text even more accessible to students and general readers. Not only has he seamlessly woven in updated material and editorially improved the flow of the narrative, but his expansion of the bibliography and chronological chart and inclusion of a new section on internet sources have significantly enhanced the text's usefulness as a resource.”

—**Elizabeth Dorn Lublin, Wayne State University**

“Mikiso Hane, with Louis Perez's updates, provides us once again with a text that treats the political, economic, intellectual, cultural, and, social history of Japan up to current times. Women and minorities are fully included in this readable yet detailed history of modern Japan.”

—**Ann M. Harrington, Loyola University Chicago**

“The late scholar Mikiso Hane firmly believed that the story of modern Japan should not be just about political leaders, business tycoons, and military commanders, but should include the rural population, urban workers, the poor, and the story of women. Japan's modern transitions often brought suffering as well as opportunity to these latter groups. In his updating of Hane's text, Perez has both retained the essential spirit of Hane's vision yet provided insights from recent scholarship. In the fifth edition of this work, Perez has added details on the negotiations over rendition of Okinawa gleaned from WikiLeaks documents and provided full coverage of the March 2011 Tohoku earthquake, tsunami, and nuclear incident at Fukushima.”

—**Parks Coble, University of Nebraska**

“Lou Perez has performed heroic service to keep Mikiso Hane's highly readable *Modern Japan* in print and updated. Prof. Hane's commitment to bringing the voices of Japan's dissident and downtrodden women and men to our attention, contextualized within detailed narratives of political and international developments, permeates the entire text. Both authors not only make Japan intelligible to general readers, but also make clear that, along with its benefits, modernity came with attendant costs that the Japanese people continue to bear.”

—**E. Taylor Atkins, Northern Illinois University**

#### About the Author

The late **Mikiso Hane** was Szold Distinguished Professor Emeritus of History at Knox College.

**Louis G. Perez** is Distinguished University Professor of History and Women's and Gender Studies at Illinois State University.
