\*\*The Stunning conclusion to Mishca and Lauren's Story\*\*

Three months pass without incident, leading Mishca and Lauren to believe they can finally move on from the past and build a life together

...but enemies both old and new lurk in the shadows, waiting for the opportunity to strike.

When a dangerous threat presents itself, Lauren is forced to turn to the one person that would rather see Mishca dead than live happily ever after

...she now has to step into a role that demands payment in blood.

Alliances are formed, one side fighting for survival, and the other for retribution.

No one can be trusted.

No one is safe.

War is coming.

...and not everyone will live to see the end of it.
