The Jamaipanese Story By Kelroy Kirkland Brown

Jamaica on the surface seems the complete opposite of Japan. However, if one overlooks the obvious, and takes the time to decipher the core identity of these two great people we begin to appreciate their similarities. How did Japan; an island nation in the North Pacific enchant the mind of young Jamaican? The relationship started when reading about the devastation of World War II, and how from those ashes rose a modern superpower. Japan has a strong connection to its rich history and its people are extremely proud of and revel in its identity as a nation. This book is born out of the mind of a Jamaican who has a great admiration of Japanese culture, history and resilience. It follows his journey from discovering Japan, blogging about the many aspects of Japan to eventually visiting Japan as part of a lifelong dream turned goal. This book hopes to inspire and motivate its readers as a practical example of how a dream can become a goal if a deadline is attached.

Editorial Review

About the Author

Kirk "Jamaipanese" Brown is a young Jamaican living in Kingston who has a great interest in Japan and its people. After launching a plan called Operation Visit Japan in January 2010 which was a resounding success, Kirk was able to visit the land of the rising sun for the first time in September 2011. "Jamaipanese" is a candid portmanteau of the words JAMAICAN and JAPANESE, hence he calls himself and his blog Jamai + Panese or Jamaipanese. Kirk tries to have his own personality shine through as he blogs about topics related to his life in Jamaica, his love for Japan as well as his general interests such as photography, video games and technology.

Users Review

From reader reviews:

Sheila Walker:

What do you consider book? It is just for students since they are still students or the idea for all people in the world, the particular best subject for that? Merely you can be answered for that concern above. Every person has distinct personality and hobby for each and every other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book The Jamaipanese Story. All type of book can you see on many options. You can look for the internet options or other social media.

Laveta Blodgett:

Do you considered one of people who can't read pleasant if the sentence chained in the straightway, hold on guys that aren't like that. This The Jamaipanese Story book is readable by you who hate the perfect word style. You will find the details here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to deliver to you. The writer of The Jamaipanese Story content conveys the idea easily to understand by lots of people. The printed and e-book are not different in the content but it just different by means of it. So , do you even now thinking The Jamaipanese Story is not loveable to be your top list reading book?

Kathy Donnelly:

The reason? Because this The Jamaipanese Story is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will zap you with the secret that inside. Reading this book beside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of advantages than the other book get such as help improving your talent and your critical thinking approach. So , still want to delay having that book? If I were being you I will go to the book store hurriedly.

Elizabeth Blake:

With this era which is the greater person or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple approach to have that. What you are related is just spending your time little but quite enough to get a look at some books. One of many books in the top list in your reading list is actually The Jamaipanese Story. This book which is qualified as The Hungry Hills can get you closer in getting precious person. By looking up and review this guide you can get many advantages.
