This Is Not My Beautiful Life: A Memoir By Victoria Fedden

ONE OF *PUBLISHERS WEEKLY*'S TEN MOST ANTICIPATED MEMOIRS OF THE SEASON AND A *REFINERY29* BEST BOOK OF THE YEAR

IF YOU THINK IT SUCKS TO LIVE WITH YOUR PARENTS WHEN YOU'RE THIRTY-SIX AND NINE MONTHS PREGNANT, JUST WAIT TILL THE DEA COMES KNOCKING (WITH THE IRS IN TOW): WELCOME TO VICTORIA FEDDEN'S LIFE.

When a squad of federal agents burst through her parents' front door, Victoria Fedden felt ill-prepared to meet them: She was weeks away from her due date and her T-shirt wasn't long enough to hide her maternity undies. As for the question of how to raise a child when you've just discovered that your mother and stepfather have allegedly masterminded a pump-and-dump scheme? She was pretty sure that wasn't covered in *What to Expect When You're Expecting*?and she really hoped that Bradford Cohen, the noted criminal defense attorney who famously waived his exemption on *The Apprentice*, would prove them innocent.

This Is Not My Beautiful Life is the story of how Victoria lost her parents to prison and nearly lost her mind. No one ever said motherhood would be easy, but as she struggles to change diapers, install car seats, and find the right drop-off line at pre-school?no easy task, when each one is named for a stage in the lifecycle of a f*cking butterfly?she's also forced to ask herself whether a jumpsuit might actually complement her mom's platinum-blond extensions and fend off the cast of shady, stranger-than-fiction characters (like the recovering addict who scored a reality show when he started an escort service for women) who populated her parents' world.

A real-life *Arrested Development* that could only unfold in southern Florida, *This Is Not My Beautiful Life* is a hilariously funny and unexpectedly moving memoir of a just-functional family you'll never forget.

"A memoir with a premise so out of this world it's hard to believe it's not fiction." *Hello Giggles* (New Books You Need to Read This Summer)

"In Fedden's hilarious new memoir, *This Is Not My Beautiful Life*, we get a clear picture of what it's like to grow up in a dysfunctional family living at the edge of the law. It would all make for a really great T.V. sitcom...if it weren't real...This quirky memoir is definitely one to add to your reading list." *Parents* magazine

"This book is the very definition of summer reading." *The Rumpus*

"*This Is Not My Beautiful Life* by Victoria Fedden is a roller-coaster of a story that proves that sometimes the truth IS stranger than fiction. Cancel all your plans today, because you will get nothing else accomplished once you start this book. Is 'unputdownable' a word? Well, it is now. This book is unputdownable!" Jen Mann, *New York Times* bestselling author of *People I Want to Punch in the Throat: Competitive Crafters, Drop-Off Despots, and Other Suburban Scourges*

"It may not be beautiful, but Victoria Fedden's life is never dull. Her hugely entertaining memoir of growing up with big-hearted criminals for parents is a compelling, fun, illuminating look into how family ties can strangle us just a little." Celia Rivenbark, *New York Times* bestselling author and syndicated humor columnist

"A scandalously funny memoir about starting a new family while taking care of the felonious one you've already got." *The Huffington Post*

"This is a family which, as do many popular reality-television show clans, excels at outrageous behavior...Fedden's true story of crime, comeuppance, and toughing it out will appeal to all devotees of scandalous endeavors." *Booklist*

“Fedden, whose places a high priority on caring for her troubled family, details with unfailing honesty and humor [their] joys and meltdowns...[Her mother and stepfather] are straight out of a Carl Hiaasen novel: AARP-age criminals who take pride in having a couch that was used in a porn film, shop at Costco, and are friends with gigolos, Russian mobsters, and singer Michael Bolton, among others.”?Publishers Weekly

"*This Is Not My Beautiful Life* is as absurd as it is grounded. Filled with characters so over the top you'll suspect it's fiction, you will end up convinced no one could make this stuff up. Victoria Fedden has managed to bring startling reality and touching humanity to a story that feels larger than life."?Taylor Jenkins Reid, author of *Maybe In Another Life*

"Victoria Fedden's memoir is a hilarious mash-up of *Married to the Mob*, *Parenthood*, and *Co-dependent No More*. Any writer who can deadpan a sentence like 'Mom was out on bond by the time I got home' gets my vote. This is a big-hearted book for screw-ups, late-bloomers, and second-chancers."?Betsy Lerner, author of *The Bridge Ladies*
