### **Wanderlost** By Jen Malone

Not all those who wander are lost, but Aubree Sadler most definitely is on this novel's whirlwind trip through Europe. A romantic and charming YA debut perfect for fans of Stephanie Perkins and Jenny Han.

Aubree can't think of a better place to be than in perfectly boring Ohio, and she's ready for a relaxing summer. But when her older sister, Elizabeth, gets into real trouble, Aubree is talked into taking over Elizabeth's summer job, leading a group of senior citizens on a bus tour through Europe.

Aubree doesn't even make it to the first stop in Amsterdam before their perfect plan unravels, leaving her with no phone, no carefully prepared binder full of helpful facts, and an unexpected guest: the tour company owner's son, Sam. Considering she's pretending to be Elizabeth, she absolutely shouldn't fall for him, but she can't help it, especially with the most romantic European cities as the backdrop for their love story.

But her relationship with Sam is threatening to ruin her relationship with her sister, and she feels like she's letting both of them down. Aubree knows this trip may show her who she really is—she just hopes she likes where she ends up.

### Editorial Review

#### Review

“Sweet and romantic. A light-hearted, heartwarming tale ideal for fans of Stephanie Perkins and Jennifer E. Smith.” (ALA Booklist)

“Malone has written an entertaining journey that teens are sure to love.” (Voice of Youth Advocates (VOYA))

#### About the Author

Jen Malone once spent a year traveling the world solo, met her husband on the highway (literally), and went into labor with her identical twins while on Stevie Nicks's tour bus. These days she saves the drama for her books. She is a former Hollywood film publicist and current college professor who lives in the Boston area with her husband and three children and (someday, when she wears her husband down) a pet hedgehog.

**Ann Goddard:**

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Wanderlost can make you truly feel more interested to read.
