In a period of irreversible change, the Redcliffe sisters face monumental love and loss that will stretch the bounds of sisterhood to their limits...

As the perils of World War II loom ever closer, Chiara is more interested in the joyful whirl of the season than matters of faith or ideology. But even her breezy innocence cannot survive the harsh lessons of heartbreak and war. Meanwhile older sister Isobel is forced to face her misguided Fascist political beliefs in Nazi Germany as the shocking realities of the regime hit home. And then there's Felicity, the youngest and most introverted of the Redcliffe sisters, who is about to take her vows and enter the convent against her sisters' wishes. But a chance meeting with an American soldier threatens the very foundations of her decision.

As each sister follows her own path, will their differences force them apart and take them beyond the realms of forgiveness?

Wish Me Luck As You Wave Me Goodbye is the first book in the Redcliffe Sisters series, but can also be enjoyed as a stand-alone novel.

Editorial Review

About the Author

Marius Gabriel served his author apprenticeship as a student at Newcastle University, where, to finance his postgraduate research, he wrote thirty-three Mills & Boon romances under a pseudonym. His identity as a man had to be kept secret until he turned to longer fiction under his own name. Gabriel is the author of eight sagas and historical novels, including the bestsellers *The Mask Of Time*, *The Original Sin* and *The Seventh Moon*, and was once accused by *Cosmopolitan* magazine of ‘keeping you reading while your dinner burns’. He very seldom burns his own, however, being an enthusiastic cook, as well as an artist and a musician. Born in South Africa in 1954, he has lived and worked in many countries, and now divides his time between London and Cairo. He has three grown-up children.
